-> Cet accord, le plus ancien de Lyon 2, permet chaque année à 6 étudiants de LEA anglais-chinois, d'aller étudier pendant leur dernière année de licence ou leur première année de Master dans la province du Liaoning, au Nord-Est de la Chine : la capitale du Liaoning est la ville de Shenyang, très intéressante sur le plan touristique (présence de l'ancienne cité interdite).

-> L'université de Dalian est située à l'écart de la ville côtière de Dalian, dans un grand campus neuf, à côté duquel une petite ville s'est développée. Les étudiants internationaux sont logés sur le campus.

-> Le partenariat établi avec Lyon 2 a permis à des étudiants de Dalian, d'obtenir un doctorat et d'être ensuite recrutés comme professeurs de français dans cette université. Ils accueillent avec plaisir les étudiants de Lyon 2.

-> Contact et mise en relation avec des étudiants issus de cette université : Amelie.derobert@univ-lyon2.fr
